

The contact to a secret research facility in Alaska broke up. An act of terrorism is assumed. So Derek Frost and his counter-terrorism squad is on it's way to look what's going on with the order to kill all terrorist and to rescue Dr. Samantha von Kruger.

While looking for Dr. Samantha von Kruger, Derek finds evidences of a secret brotherhood, called the Pointing Finger, which is heavily involved to the research of a comet. This comet crashed deep into the ground of Alaska thousands of years ago. One of the last messages Dr. von Kruger left tells him that "Their time has come".

He knows the whole mankind is in danger.
